

VOLUNTEERS NEEDED

The Pennsylvania State Animal Response Team (PASART) needs volunteers. PASART is looking for volunteers to help animals during disasters and other emergencies. County Animal Response Teams (CARTs) are being formed in every county in Pennsylvania. The CARTs are being equipped and the volunteers are being trained.

If you love animals, large or small, PASART needs your help.

For additional information or to join your county's CART, visit

www.pasart.us
